The Bick Law LLP team worked together last month to donate gently used business clothing as part of the 8th annual "Suits or a Cause" clothing drive. WHW, an Irvine-based nonprofit organization, hosts this yearly clothing drive as part of their mission to provide resources and skills to unemployed and underemployed job seekers. The "Suits for a Cause" drive is focused on providing business and casual clothing to help jobseekers tackle interviews and new jobs with confidence. Bick Law LLP is one of the 74 local law firms and legal businesses that participated in this year's drive.

WHW continues to accept clothing donations all year. Learn more about WHW and "Suits for a Cause" [here](#) and read all about it in the [Newport Beach Patch](#).
