## BICK LAW LLP WEBSITE NOMINATED FOR A WEBBY

Mon Apr 10th, 2017 | Categories: [Firm News](#) |

Bick Law LLP is excited to announce that [our website](#)-([bicklawllp.com](#)) has been nominated for a Webby in the Law category. The Webby Awards recognize excellence on the Internet and to be nominated is a tremendous honor, as it means our web design is considered one of the five best in the world in its category, and among the top nine percent of all work entered in this year's competition.

"We are thrilled that our website is up for a Webby. -Along with our designers at Paperstreet, we worked hard to convey the business-focus of our firm in an "out of the box" fashion. -We hope to get enough votes to be #1." – Kimberly Bick

The new Bick Law LLP website launched in August 2016 and features custom imagery, taglines, and content by [PaperStreet](#), an internet marketing company that specializes in the legal industry.

The website can win The Webby Award and/or The Webby People's Voice Award. The Webby Award is chosen by The International Academy of Digital Arts and Sciences (IADAS), but The Webby People's Voice Award is voted on by the public.

Bick Law LLP needs your help to secure The Webby People’s Voice Award. We’re asking that you vote for our website and help spread the word.
