Bick Law LLP is very proud to announce that our firm has been included in the U.S. News & World Report's "Best Law Firms" list for 2019. According to U.S. News & World Reports, "the rankings are based on a rigorous evaluation process that includes the collection of client and lawyer evaluations, peer review from leading attorneys in the field, and review of additional information provided by law firms as part of the formal submission process. [1] The 2019 rankings are based on the highest number of participating firms and highest number of client votes received on record. To be eligible for a ranking, a firm must have a lawyer recognized first in The Best Lawyers in America, which recognizes the top five percent of practicing attorneys in the U.S." We received a Tier 1 ranking for Environmental Law in Orange County, which is the highest regional designation possible. Bick Law LLP is committed to providing top-tier environmental counseling and legal services to our clients before the elephant enters the room.
