REGISTER FOR THE DEFENDING LEAD CASES: STRATEGIES & TACTICS FOR A TRENDING TOXIC TORT WEBINAR

Wed Oct 4th, 2017 | Categories: Firm News |

Bick Law LLP is a member of DRI's Toxic Tort and Environmental Law (TTEL) group and California environmental lawyer,-Kimberly Bick is in charge of creating webinars for that group. -We are excited about this next webinar that Kimberly put together and for that reason we would like to share this information with you. -We hope that you have the opportunity to participate. -You do not need to be a member of DRI to participate in the webinar.

The crisis in Flint, Michigan has spiked the plaintiffs' bar's interest in litigation over lead exposure in drinking water, soil, and airborne media. -You have a unique opportunity to learn about this growing trend of toxic tort litigation from a-panel of experienced DRI lead defense trial lawyers and experts who have experience battling the plaintiffs' bar in this field. -With this panel's insights you can help your clients limit their risk of lead claims and reduce their damages exposure. -

Registration for the **October 25** webinar is by "site" not per person. -Register your firm or office as a site to view the webinar and fill the conference room for the viewing. -Group viewing of the webinar makes the price per site very reasonable, in comparison to other webinars that charge per person. -Audience participation is encouraged during the webinar and instructions will be provided to ask questions. -

Do not miss this opportunity to learn important insights from these renowned lead litigation lawyers and experts.

Webinar Date and Time: **October 25, 2017, 2:00pm Eastern**

Registration Fees: $150 per site for DRI Members; $180 per site for Non-Members
